## A message from our president

Thank you to everyone that has signed up to volunteer at the Strassenfest food booth. I know that not everyone has selected a time slot, but the May meeting at Ackerman Oil will provide another opportunity to volunteer. Since we are on the topic of the May meeting, please wear your Deutscher Verein clothing to show support for the Glockenspiel. This will be a perfect time to have pictures taken of our club!

The next club function after May will be the StrassenVORfest at the Moose Lodge. Attendance for this event has increased each year and we will have additional vendors displaying and selling German-themed items to decorate for Strassenfest. The Moose will also have food and drinks available. The club will also have German attire available for purchase. Please plan to attend this event on Sunday, July 10, from 12:00-3:00 and have a good time!

Strassenfest 2022 is scheduled for August 4th – 7th. Thursday night has developed into the “German Heritage Night” beginning with the opening ceremonies, the parade to the Bier Garten, the Kinderchor, and Mai pole, the Schuhplattler, Willkommen, and Landler dancers. The popular Log Sawing contest sponsored by our club concludes the evening. We always appreciate the DeutscherVerein members wearing their vests and traditional outfits during these events. I hope we continue to have outstanding representation from our club!

I am repeating myself from last month’s newsletter about the involvement of the Jasper DeutscherVerein in the Strassenfest. I want to commend our fellow German Club member, Bob Bleemel, for being the Chairperson for this year’s Strassenfest, and doing an excellent job! Prost, Bob! Additionally, our fellow members Jim and Rita Corn will be honored as the Hofmarschalls for the 2022 Strassenfest! Prost, Jim and Rita!

For more information on the Strassenfest and location of events, you can go to [www.jasperstrassenfest.org](http://www.jasperstrassenfest.org).

Auf Wiedersehen!

**A message from our vice president**

Hallo to all of our members! We have many events we are gearing up for over the next several months. Please make sure that you are watching your emails and referring to the newsletters for important information.

If you have not done so already, please make sure you have spoken with Mike & Ann Ackerman on working a shift at the Strassenfest booth. This is our largest and most important fundraiser of the year, and it is important that each and every one of you can assist if possible (not to mention, we always have a great time working!).

As I begin looking at our 2022-2023 calendar, if there are any events/organizations/speakers you would be interested in me reaching out to for our meetings, please let me know. We always try to have a diverse offering of speakers throughout the year.

There are so many exciting events and festivities ahead. As always, if there are any questions, please do not hesitate to reach out.

I look forward to seeing you all at the May meeting, and I believe I will see some of you in Pfaffenweiler, Germany this summer.

Regards,

*Landen Weidenbenner*  
Vice President

**Sister Cities of Jasper  
Update for Jasper German Club**

The Board of Directors of Sister Cities of Jasper met on April 5<sup>th</sup> to review and discuss all the activities we have coming up in 2022 and 2023. Additionally, a combined planning meeting with the members of the Jasper Partnership Commission was held on April 23<sup>rd</sup> where the groups agreed to work together on details for the upcoming prioritized projects.

We prioritized the following projects for 2022-2025:

1. Student Exchange
2. Artists Exchange
3. Teacher Exchange
4. Professional Exchanges/Internships
5. Scholarship for College Study Abroad – High School Full Year Study
6. Stone Carver Group
7. Continued Promotion of Sales of Pfaffenweiler Wines in Jasper
8. History of Sister City Relationship – German History and Culture in Jasper and Dubois Co.
9. 40<sup>th</sup> Anniversary in 2025 – Pfaffenweiler Group Travels to Jasper

\*\*\* Creative Fundraising Ideas/Events - Last but not least, this is the engine that allows us to pull all of these initiatives together.

Both groups agreed that going forward, we will conduct once a quarter meetings with the combined Board of Directors for the Sister Cities of Jasper and the Jasper Partnership Commission so that we can form committees and teams to work on these initiatives.

**Student Exchange Update**

The Jasper students are getting prepared for their trip from June 12<sup>th</sup> to July 6<sup>th</sup>. This 2022 student exchange will be quite unique in many ways. This is the first time in the history of the exchange that the Jasper students will be traveling to Germany before hosting their partner student prior to going. Additionally, this year the end of

the exchange will coincide with the students being in Pfaffenweiler with their partner families during the same time as the 37<sup>th</sup> Anniversary Celebration. This will allow the students to enjoy the celebration along with their host students and families as well as the group on the Anniversary Trip from Jasper.

We're excited for this year of "firsts" for this exchange and excited for the students to have a great experience!

**GOLF SCRAMBLE:** Thank you, thank you, thank you to everyone that supported the Golf Scramble fundraiser in April! Over \$4,000 was raised! We are so appreciative of everyone that helped in any way to make it a success!

**Partnership 37<sup>th</sup> Anniversary Trip Update**

The Jasper Partnership Commission and Sister Cities of Jasper are working on the details and host family pairings for the trip. There will be 16 people will be going along on the trip/tour on the way to Pfaffenweiler. In addition, there are 6 to 8 people who will be joining up with the trip group in Pfaffenweiler for the celebration.

**PARTNERSHIP 37<sup>TH</sup> ANNIVERSARY VIDEO CREATION – Your help is needed!** Since we may not be so great at singing or acting, we've decided to make a video and "take all of you with us" to Pfaffenweiler! We will be creating a short video to be shown at the celebration in Pfaffenweiler as our contribution of entertainment for the 37<sup>th</sup> Anniversary evening program.

We would like to take video cameos of these of you who:

1. Have traveled to Pfaffenweiler on trips in the past.
2. Have hosted guests from Pfaffenweiler in the past.
3. Have relationships or relatives in Pfaffenweiler.
4. Will be willing to just say "hello" from Jasper to everyone at the celebration!

Be prepared for us to film some smiling faces at the May DeutscherVerein meeting! We will be coming around with the camera and asking you to say just a few words!

Last call...If you will be traveling on your own to Germany and intend to "meet-up" in Pfaffenweiler for the celebration on July 2<sup>nd</sup>, please contact Mary Leah Siegel at [siegel.maryleah@gmail.com](mailto:siegel.maryleah@gmail.com) Your information is needed so that we may include you in the count, arrange a host family if needed, and communicate the plans for our stay in Pfaffenweiler and details of the celebration.

## StrassenVORfest – A “Prep for the Fest” Event

The Jasper DeutscherVerein (Jasper German Club) will have a community, family friendly event, StrassenVORfest on Sunday, July 10th, from noon to 3pm at the Moose Lodge in Jasper. This will be a “Prep for the Fest” event.

StrassenVORfest will help usher in the 2022 Strassenfest which will be held on August 4 to August 7.

We are looking for club members to volunteer to work at the DeutscherVerein Information/Sign-up table.

The following shifts are available:

12:00 – 1:00pm and 2:00 – 3:00pm. Club members will simply be providing information and signing up new members.

We are also looking for several volunteers to help set-up, clean-up, and work the event. If you would like to VOLUNTEER, please call Landen Weidenbenner at 812-309-1745.

We are also asking that all club members bake or provide 1 dozen cookies (without nuts) for the StrassenVORfest event. These can be dropped off at the Moose Lodge no later than 12:00pm on July 10<sup>th</sup>.

Now is the time to look at your German clothing and maybe purge some or possibly add to your wardrobe!!!

Bridgette Bartley will be back again offering slightly used and new traditional German clothing items. If you have any items that you would like for her to include in her boutique, please get them to her by July 1<sup>st</sup>. Bringing them to the May meeting would be great!!!

**All items to be included in the boutique must include the seller’s name, contact phone number, size of item, and selling price!! Please do not bring them on July 10<sup>th</sup> as it causes much confusion on a busy day!!!**

If you know of anyone interested in having a German themed clothing item for the Strassenfest, please invite them to attend the StrassenVORfest.

There will be 2022 Strassenfest buttons and mugs for sale as well as various sizes of Strassenfest bunting, slightly used and new traditional German clothing items. Also available will be a variety of vintage Strassenfest souvenirs and German themed bows for sale.

Come for lunch. The Jasper Moose Lodge will have items from their menu available for sale. And enjoy the afternoon with us!!!!

### Die Jugend

During World War I, because of anti-German sentiment, Indianapolis decided to change the name of the building from Das deutsche Haus to the Athenaeum (honoring a Greek goddess was less problematic). The building houses a YMCA and "remains true to the 'sound mind in a sound body' ethos of its freethinking German founders." All participants from both JMS and JHS really enjoyed the field trip that included a visit to the Eva Kor exhibit at the Indiana Historical Society.

A member of the Jasper community, Daniel Conrad who graduated from Earlham College in German, came to talk to all of my classes in March about his exposure to the German language and his experience working for the American Council on the Teaching of Foreign Language (ACTFL) and in particular in the administration of language proficiency assessments. He told my students that they do not need to learn the gender of nouns, which caused a bit of a revolt, but I have to agree that correct grammar is secondary to successful communication.

I have been in touch with Tell City Pretzels since they have started perfecting their recipe for soft pretzels here in Jasper and in the next few weeks I plan to have fresh pretzels delivered to my German classes, so that everyone has the opportunity to make a Butterbrezel rather than dipping the pretzel into nacho cheese sauce.

We are on paper type 13 (out of 18) to practice using high quality paper with the fountain pens and one of my students said "This is such an enjoyable experience, writing on this paper." Last week I also passed out German pencils and erasers to my JMS class, so that they try out using a high quality HB pencil that does not have an eraser on the end of it.

We just held our last Gruppe 19 German Exchange fundraiser at Buffalo Trace Golf Course and we are almost all set to leave on the trip in June. We have a lot of exciting things planned for this trip including a day in Rothenburg ob der Tauber and we can't forget to try, maybe after our visit to the Lindt Chocolate Museum in Zurich, a popular Swiss carbonated soda made with milk.

Projects serve as vessels for area spirit

Sixty-one people will travel from here to Pfaffenweiler, Germany, next week to celebrate the communities' partnership as sister cities. Dozens of others will make the trip in spirit.

They will be making the trip through a wall-hanging they pieced and quilted, through a history book they compiled and through videotaped greetings.

### **The quilt**

Kathy Hilger enjoys quilting. So does her mother-in-law, Bärbel Hilger, of Pfaffenweiler.

When Kathy came across a pattern with the double name of Indiana Puzzle and Snail Trail, her thoughts immediately turned from her Hoosier homeland to her husband's hometown, in Germany's Snail Valley.

She decided the pattern would be perfect to use in quilt for her mother-in-law.

With the help from five other women – Lois Kuntz, Louise Gutsell, Sally Lechner, Patti Goepfrich, and Jane Luebbehusen – that idea evolved into using the Indiana Puzzle and Snail Trail pattern in a quilted wall-hanging for the City of Jasper to present to the Town of Pfaffenweiler on the occasion of the communities' 15<sup>th</sup> anniversary as sister cities.

Kathy and her husband, Matthias, see the dual-named patterns as a perfect illustration of the link between the two communities.

"I believe that the people of Pfaffenweiler will be absolutely excited and appreciative of the quilt. I think they will see it as a gift from the heart and not just some money thrown at a huge gift to impress them," said Pfaffenweiler native Matthias Hilger, who came to Jasper in 1987 as part of a sister cities work exchange and married Kathy Kunkel two year later.

In the border of the quilt – the blocks are eggplant purple, forest green and tan, reflecting the colors of Pfaffenweiler vineyards and stone quarried – are embroidered the names of the first 25 Pfaffenweiler immigrants who settled in Jasper.

The 14 women who did the quilting included a Gutsell and an Eckert, two of the names embroidered in the border.

It's kind of neat to know there are still people here today with those names," Mrs. Hilger said.

The quilting alone took more than 100 hours, not to mention the piecing and cutting, she said.

### **Bilingual history**

The second anniversary gift that has hundreds of hours put into it is a 44-page booklet that documents the history of the partnership. Jasper DeutscherVerein (German club) members and the Jasper Partnership Commission worked together to compile the book, and then to translate it from English into German.

Last week, 1,000 copies of the bilingual booklet were printed to distribute not only to Jasper and Pfaffenweiler residents but also to Sister Cities International, Sister Cities of Indiana, local schools and the public library. An Indiana Humanities Council grant, the DeutscherVerein and 16 additional local businesses foot the bill for the publication.

"We hope to provide a twofold tool for everyone by having this book," said Mr. Hilger, president of the Jasper Partnership Commission, a group that facilitates Jasper-Pfaffenweiler communication and activities. "First, we want to have it for the people involved, now and in the past, to read it and start talking about the past 15 years and the many years before."

"Second, we want to provide a proud display to promote this partnership and to show to the rest of Jasper, Indiana and the United States – and even the world, through Sister Cities International – that real sister cities function through the people of the communities and not just through city hall."

### **Candid camera**

Patti Goepfrich has visited Pfaffenweiler three times, most recently for 17 days last September. She made the trip with her parents, Joe and Irene Eckerle.

Goepfrich and her parents won't be going to Pfaffenweiler next week, but they wanted to be part of the anniversary celebration. So Goepfrich videotaped greetings from her parents to their friends in the Snail Valley.

After that, she videotaped six other couples or individuals sending greetings, some in English but most in German. All of the greeters – Linus and Sally Lechner, Bob Steffe, Jerome "Chick" Alles, Stan and Mary Jane Krempp, Ed and Nancy Eckert and Claude and Martina Eckert – have been to Pfaffenweiler before but will not be making this anniversary trip.

"It's been a really neat project," said Goepfrich. "It was really a project from the heart."

### **Captions of the pictures in the article**

Lois Kuntz, left, Kathy Hilger and Sally Lechner worked on the gift quilt at Lechner's house last month. Kuntz is

the mayor's assistant and is going along on the trip to Pfaffenweiler next Tuesday. Hilger will be carrying the quilt with her on the plane.

A specially designed quilt is a gift from Jasper to its German sister city, Pfaffenweiler. The design and colors of the quilt, which uses a pattern known by the names Indiana Puzzle and Snail Trail, reflect the continuing relationship between the two communities. Local women spent more than 100 hours cutting, piecing and stitching the quilt. It will be displayed at Jasper City Hall until Thursday evening.
