A message from our President.....

A hearty "willkommen" for 2019! In talking with a number of members, everyone agreed the enthusiasm and excitement was ramped up at the January meeting! Hopefully, that excitement will continue to grow.

I'd like to thank everyone who offered advice and assistance as I start my term as President. A major Thanks to all the Board Members and our past President, Steve Schmitt. A big Thanks to Paul Siegel for agreeing to be our Vice-President. Paul is working on bringing interesting, informative, and most importantly, FUN events to our club.

I want to hear any and all thoughts on how to make our club better and more vital to keep our German Heritage alive and growing. We'll be trying some new things out this year – some may be successful, others less so. But without trying new things, we'll never know.

Volunteering is probably the biggest show of support for our club that you can do. This can be as simple as being a "mentor" to new members, or as critical as volunteering for our most important fund-raiser and display of our heritage and German work ethic, our Strassenfest in August.

Finally, our club is financially sound, and we have a group of wonderful people who share the desire to keep our German Heritage growing and alive. With members in many states, we know our heritage is important not just to us who live locally, but others who share German ancestry across the United States.

Our next meeting in February is beer tasting and bread contests. We'd like to increase the number of entries that are submitted for these contests, but we can only make it a successful event if you participate. Brewers, we want your beers! Bakers, we want your breads! See you on the 20th!

Van Ziegler - President

A message from our Treasurer.....

As the incoming Treasurer for Jasper Deutscher Verein, I want to start with expressing my heartfelt gratitude for the effort of our outgoing Treasurer, Laura Grammer, who did an excellent job maintaining accurate books and

membership records during her term from 2015 through 2018.

Your club is on sound financial footing.

In addition, our club's endowment fund with a last reported balance of \$40,389.42 allows us to be able to fund the Scholarship each year for an area student who will be including German studies in the pursuit of a college degree.

A bit of history. In the first quarter of 1980, as the Jasper Deutscher Verein was just being formed, its first official event was to hold a Fastnacht (pre-Lent Dine & Dance) to help raise money for the Jasper Strassenfest which had just held its first celebration in 1979. With an attendance of 401, this Fastnacht event raised over \$2000 and the Jasper Deutscher Verein was able to present a check for \$1400 to Strassenfest Chair Charles Stenftenagel to be used for the 1980 festival.

In this tradition, I am also pleased to report that the Holiday Dine and Dance held on December 29, 2018, which was cosponsored by the Jasper Strassenfest Committee and the Jasper Deutscher Verein was also a huge success. Chairs Gary & Marcia Schnell's booking of a fun band provided a fun and lively evening for the sold out crowd of 600. Thank you to our workers who sold tickets, decorated the hall, parked cars, took tickets, sold half pot tickets, seated guests, said grace, and a host of other tasks to make the event special. Thank you to Yvonne & Kevin Mullen, Lacey Apple & Ross Halvorsen, Laura & Paul Grammer, Phyllis & Rafe Ackerman, Janet Beckman & Nancy Eckerle, Nancy & Van Ziegler, Ann Ackerman, and Marcia & Gary Schnell.

A primary purpose of this event was to help raise money for Dubois County Tourism's efforts to purchase a portable stage that can help area festivals including the Jasper Strassenfest to maintain compliance with Indiana's stage regulations while providing a time efficient and cost effective option to building stages for each event. Our event met our goal to provide Dubois County Tourism with \$5000 toward the portable stage.

The remainder of the money earned at this event will be used by the Jasper Strassenfest Committee, including an earmark to be used by the Jasper Deutscher Verein to continue to expand upon German Heritage events on Thursday evening of the Jasper Strassenfest.

Our club has a proud past and a bright future to continue to celebrate our German Heritage. The efforts of our members allow this to happen. Thank you to those who have already paid dues. Your efforts to recruit new members to keep our club strong is appreciated.

Mike Ackerman
2019 Treasurer

Christmas Message from Dieter Hahn, Mayor of Pfaffenweiler

Dear Friends in Jasper,

Not too long ago I read the following story:

A school class was asked to write down what they thought the seven wonders of the world are. Most students wrote a similar list as the following: Pyramid of Gizeh, Taj Mahal, Grand Canyon, Panama Canal, Empire State Building, Peters Dome, Chinese Wall.

When collecting the results from the students in the room, the teacher realized that one of the girls was still working on the list. Thus she asked her if she would need any help.

The Student answered: „Yes. I really couldn't make my final decision. There are so many different wonders.“

The Teacher then encouraged her to read out loud, what she had written down. The student hesitated and then read: „For me the seven wonders of the world are: Seeing, Hearing, Touching, Smelling, Feeling, Laughing and Loving. “.

The classroom went quiet.

Let's take a look at the seven wonders of the world of this young student:

Is seeing a wonder of the world?

Certainly, if I can't see, I'm blind. Seeing is a wonder of this world, because I can see nature, the landscape, my home, my garden, the ocean and the mountains. And I can see even more, my fellow humans. If I'm able to not just see them with my own eyes, but try to put myself into their situation, then I have made a huge step towards my fellow human. I start to understand them.

Is Hearing a wonder of the world?

Certainly, if I can't hear, I'm deaf. Hearing is a wonder of this world, and if I'm able to not just listen, but understand before putting my own thoughts together what I might want to say, I'm in a better position to understand the others.

And if I can understand the others, then it is not foreign to me anymore or strange what that person might want to say to me. Then the chance is quite big, that I will understand what that person wanted to say to me.

Is Feeling truly a wonder of the world?

Yes it is. The feel and tenderness is a wonder of the world. And any tenderness which for example I can give

to a child is a wonder. Feeling however also means to understand someone else. To feel, how that person is actually doing. And the large difference to seeing and hearing is, that it does not happen with the head, but with the body and the gut.

Is Laughing a wonder of the world?

Without any doubt it is. Because if someone can't laugh they are a sad person. Laughing stands for happiness, for positive thoughts, for optimism, for the desire to live, work and being social.

Is loving a wonder of the world?

It certainly is. Or does anyone think, that it is not a wonder of the world, that a child comes to live when love exists? But it is not only this type of love we are talking about. It is also the love I have for my work, for myself and my life.

If I for example see my work only as a source of income, I won't be happy. But if I enjoy my work, when I can identify with it and when I love it, that is happiness.

Love is a wonder of the world also when it is about love for yourself. Because you have to love yourself as well. And that is sometimes not that easy in a world where such a lot of unhappiness exists and social comparison dominates. To be pure with yourself, to find piece within, to be satisfied with simple and in-material things, that is love for yourself.

Let the world wonders of this young student be the magic in your life in the next few days and in the coming year.

I wish you and your families a blessed and happy Christmas Celebration and a very Good New Year. I think a lot about all the wonderful people I have met throughout this past year, and I'm looking forward to 2019.

Yours Bürgermeister

Dieter Hahn

“JASPER DEUTSCHER VEREIN – 30 YEARS AGO, THE WAY IT ALL STARTED - AT LEAST THE BEST I CAN REMEMBER”

The first Strassenfest was in 1979. The idea came about when the Dave Buehler family made a trip to Germany the previous year, and by accident came upon a “German Street Festival.” Dave was President of the “Jasper Action Team”, a division of the Jasper Chamber of Commerce, and with all of his enthusiasm began pitching that Jasper should have a Strassenfest. The first one was organized, but on a much smaller scale than we know today; mainly patterned after the “Sommerfest” held at Jaycee Park moved downtown. This was an instant success and you know the rest of the story. It was also realized by the Action Team that Strassenfest would be an annual event. Something else was needed to keep the German spirit alive the rest of the year; thus, the idea of the German Club. A couple interest meetings were called in September and October of 1979. To say the least there was tremendous interest. The meetings were held at Beck’s Tavern on the Square.

January 17, 1980 was the first meeting. Wow, did we hit the ground running! Our first official meeting was not until February 21st. Prior to the official meeting on February 9th, we already had a Dine and Dance,

Faschnacht, or pre-lenten party to raise money for decorations for the Strassenfest and provide seed money for our new club. We raised \$1,400 and presented it to Charles Stenftenagel, Chairman of the Strassenfest and another \$624 for the club start up.

At the Faschnacht, officers and directors were elected:

Dan Wehr	President
Gary Egler	Vice President
Jeanne Holler	Secretary
Ron Kieffner	Treasurer
Directors	
Larry Hanselman	
Harvey Berger	
Dave Buehler	

Even before the first official meeting, there were already 290 paid members with several more signing up that night. By the April meeting we had 392 members. The “Faschnacht”, held at the Holiday Inn, was a huge success with over four hundred (400) people attending. The club already had a band and a Mannerchor formed before the first meeting. The band had already played at two public functions prior to the meeting.

Interestingly, the first meetings and dance were held at Beck’s, Schnitzelbank, Holiday Inn, Heritage Inn, and the Legion. Our first news letters consisted of 3 x 5 cards printed with a mimeograph machine. Postage was .10 – my how things have changed. Our dues were \$5.00 per person, 30 years between price increases not bad.

Also, by the February meeting “Deutscherverein” name was established; the logo was already in place; by laws complete and efforts were under way to incorporate; and the third Thursday of the month was set for our normal meeting date. By the March meeting, plans were being firmed up on trips to the Terre Haute German Festival; and the April meeting our first European trip. The Deutscherverein band and mannerchor performed at all of our first meetings followed by singing by all members.

The first Committees were:

Band: Jim Holler and Gary Fields

Mannerchor: Ken Ziegler, Bill Balsbaugh, Don Rasche, Leo Schmitt, Norb Kreilein

Program: Josie Siebert, Crystal Roediger

Membership: Dan Wehr, Gary Egler, Tom Hynes, Fred Hollinden, Vic Eckert

Social: Dave Buehler, John Thyen, Mike Hochgesang, Ken Heim, Bernita Berger, Rita Webber, Hilary Hochgesang

Historical: John Fierst, Julius Bitner, Al Schuler, Cecile Klamer

Costumes: Linda Wehr, Crystal Roediger, Marilyn Thyen

Float: Mike and Pat Hochgesang, Ken Heim, Gary Egler, Harvey Berger, Roy Stockbridge, Tom Hulsman, Jim Corn, Dan and Linda Wehr

Efforts were well under way to outfit members with lederhosen and dirndls as well as our club vests, which had already been designed.

After the very quick start, momentum continued into the early and mid 80's. By 1987 the club had already taken three trips to Europe and many within the U.S. Other milestones include and May Pole "Maibaum" by master craftsman Jim Corn, which were from design sketches by artist Judy Bennett. The Maibaum will stand for many more years reminding all who pass through Jasper of its rich German Heritage. Dedication was held in October 10, 1985 by Mayor Alles and special guest Lt. Governor John Mutz.

You probably remember the murals on the Gamble building, which we were involved in and we also influenced the German architecture around town, which still exists today.

In 1981 Sabina Jordan came to Jasper via a state grant as a "Humanist in Residence", and was immediately fascinated by our heritage. She urged us to explore a "Sister City" that we might have a relationship with and some day even possibly a student exchange program. Zeroing into the area was easy, selecting was a bit tough, until visiting Pfaffenweiler – everyone knew immediately, that was the place, and you know the rest of this story. Also, one of the places of strong consideration, prior to the decision, was a small town in Austria, near Hitler's Eagle's Nest. After our selection and getting Mayor Alles and other City Officials on board, we decided the relationship with Pfaffenweiler needed additional separate focus, thus Sister Cities was formed to lead efforts, especially in the student exchange portion.

The Deutscher Verein is alive and well. As they say about the quilt wheel at the church picnic, "where she stops, nobody knows." Let's just hope the wheel keeps spinning for many years to come!

Auf Wiedersehen

February 19, 1980 Deutscher Verein – German Club Board Meeting Minutes

The first meeting of the Board of Directors and officers of the German Club met at the Schnitzelbank to make plans for the first official meeting of the club, which will be held Thursday, February 21, 1980.

The Treasurer reported \$1,896.50 in the Social Account. These were funds arising out of the "Faschnacht" Party, which was held at the Holiday Inn February 9, 1980. A donation of \$1,400 was approved by the Board to be given to the Strassenfest committee to assist them in their planning for the 1980 program. This will leave a balance of \$496.50 in the Social Account.

There is a balance of \$610.00 in the Membership account.

It was recommended that the Secretary, Jeanne Holler, write thank you notes to the young people's German Bank for their participation the night of Faschnacht.

Arrangements were confirmed with Larry Hanselman for the use of a room and refreshments that were to be provided for those attending the February 21st meeting.

He agreed to provide these at as reasonable a cost as possible and each member will be responsible for his own expenditure.

The President, Dan Wehr, listed the following items for the agenda of the business meeting:

1. Review the reasons for forming the club.
2. Call for financial report from Treasurer.
3. Call for a membership report.
4. Bring up the subject of possible dancing lessons and if the membership is really interested.
5. Call for committee reports.
6. Ask for any input from members for future programs.
7. The next meeting is scheduled for Thursday, March 20th, place yet to be announced. Cards will be mailed to the membership reminding them of the meeting.

Das Kaffeekränzchen

Dr. Halvorsen will host Das Kaffeekränzchen (coffee hour) at the High School from 3-4 PM every week on Wednesdays when school is in session. It will be a German conversation group that will be open to students and members of the community to learn and practice their spoken German.

This would be a good event to attend to brush up or improve your knowledge of the German language in preparation for any upcoming trips to Germany or welcoming visitors from Germany to your home!!!!

Enter High School through the main entrance and left into the foyer with the two large showcases. Turn right and immediately left (before the library) into the 300 hallway. Room 308 will be on your left.
